Awesome! On such a monumental day, it would be great if the stickies were more content related. Seen a lot of stuff hitting the top that is pushing down all the big news. Just an observation. I know humor is important too

1 Someone tripped over the extension cord. Still fuel in the generators. Check the perimeter fence, and see if any marxist-zombies, swamp creatures from the deep, or other hostiles came through the de-electrified 3 minute window.
